

The Voice of the Parent

We value your voice as a parent at St. Nicholas-at-Wade C.E Primary School. Please complete this to share on our visit to your home.

Please include any information you would like to share about your child. Please comment on any strengths your child has or where support is needed.

How my child settles into new places:

How my child gets on with others:

How my child speaks and listens to others:

Things my child can do on their own: i.e. toileting, get dressed and undressed

Things my child needs help / support with: i.e. fastening buttons, putting my coat on

Things my child enjoys doing at home or at nursery: i.e listening to stories, painting, building with lego

Is there anything you and /or your child are anxious about:

Can you tell us about any achievements your child has recently accomplished: i.e can now count to ten, can do up his / her own zip, can now hop on one leg

Thank you for your time,
